

# Dear friends and artists of the Cirque d'Hiver Roermond 2009!

It already seems to be a long time ago that we did our famous circus shows together, twelve times in a row, and then we had this touching goodbye party at the end. We sincerely hope and, to be honest, we are convinced that you also have sweet memories of your stay in Roermond. We are very happy and proud that you joined us and showed your wonderful acts in our (circus)theatre.

We herewith thank you for your warm friendship, your dedication and the fun we had at all times. Be assured that you will always be welcome to visit us in Roermond. Please enjoy the exciting pictures in this special edition of the Charivari that was custom made for you and your families.

Keep 'Roermond' in mind, and best regards from all of us.

Ton Rennings**
